Network Interruptions Bradgate Park, Horseshoe Cottage, The Pump Station 24/03/2022

2022-03-24 - Support - Comments (0) - General

Dear Customers

We are sending out a notice to those at Bradgate Park, Horseshoe Cottage and The Pump Station to let you know that your broadband connection may be disrupted throughout the day as there is currently electrician's doing where the link is hosted. This work at the hosted site is nothing to do with us however we will keep you informed with any updates if your connections may be interrupted throughout the day.

Kind Regards

Gigabair Support
