Network Outages Birstall Link - 05/11/2021

2021-11-05 - Support - Comments (0) - General

Dear Customers

You may be experiencing network outages due to the new link to Birstall having frequent drop outs. We currently have engineers on site to rectify this issue and aim to have the new link running smoothly before the end of the day. We apologise for any inconvenience this may cause.

Kind Regards

Gigabair Support
